Welcome!*

THE DETAILS...

Field Trips:

We organize field trips and are able to get group discounts as well as special tours. Field trips include:

- Dairy Farm
- Fire House
- Library tour and story time
- Apple Orchard and picking
- Many, many, more

Moms Night Out:

Every month we have a night just for mom. Come learn a new skill, play games, visit museums, or just eat with friends. Each month is different and inexpensive.

Family Fun Day:

Fun trips to local events or activities to enjoy with the whole family!

Clothing and Toy Exchanges:

Save those out grown, but still usable clothes and toys and give them away to other Club families who can use them. If you need clothes or "new" toys, this is the semi-annual event to attend!

Babysitting Coop:

Trade babysitting with other Club members and go to appointments and meeting without worrying about your kids.

WHO WE ARE...

MOMS Club offers support to at-home moms and dads with lots of activities to share with their children, monthly Moms Nights Out, speakers and activities at each monthly meeting, clothing and toy exchanges, and more!

"Moms Club has been a great support to me and my family! I love the friendships I have built and watching my kids grow socially."

-Michele Decoteau, mom to Bennett (4)
and Shea (2)

"Being a member of the MOMS Club is the best thing I have done for my children and myself. They learn to make friends and have fun doing it, while I can enjoy them and some adult conversation"

-Tricia Desmarais, mom to Brady (2) and
Drew (4 months)

THE MOMS CLUB

Moms Club is a network of at-home moms. Women have a lot of choices today and being an at-home can mean isolation. The MOMS Club is here for support. What is special about us is that:

-
- ✓we offer support during the day when you want to talk with another adult most
 - ✓our meetings are held during the day
 - ✓we believe that children are a natural part life so they are welcome at meetings
 - ✓we offer educational and informative speakers
 - ✓we help our community with service projects our kids can help with too
 - ✓we understand that staying at home means financial sacrifice so our dues are low
 - ✓we support building women as leaders
